

## *Committee Opportunities*

### ***Ambassador Committee***

This committee focuses on introduction to the chamber and assists in helping new members establish new relationships, familiarize them with chamber opportunities and introduce them into the network of existing chamber members.

### ***Board of Directors\****

Chamber members are elected to represent the chamber, direct affairs, and establish policy for the Greater Salem Chamber of Commerce.

### ***Business Education Collaborative***

Seeks to enhance the well being of the community by contributing to the growth of our students through a partnership of business, education and community members.

### ***Economic Development***

This committee will serve as a communication network between business and government. It will be an informational awareness resource for Chamber members.

### ***Executive Committee\****

Six members of the board of directors are chosen to work with the management of the chamber to oversee the actual day to day operations of the chamber.

### ***Golf Committee***

A group of volunteers who actively meet from January through June to plan the Annual Summer Golf Tournament. This fund-raising event is conducted jointly with the Greater Derry Chamber of Commerce.
